

A NEW ADVENTURE FOR TEENS!!!

I would like to invite you to an exciting new art opportunity from Creative Adventures.

Many of our former campers tell us that they love our summer camp and would like to continue to be creative and artistic—even though they are getting older. They may not necessarily want to be a CIT, but still want to participate. It was suggested by some parents and campers that we create a Teen Art Camp.

We are pleased to offer a special program inside of the art camp held at Westover Elementary just for teens. There will be more concentration on learning and using challenging art techniques, discovering inspiring artists, and of course, expressing your creativity!

The camp will be held from 10:30 am until 3:00 pm (you get to sleep-in a little longer).
